2021 PLEDGE CAMPAIGN

From May 15th to November 15th, Immaculate Conception once again enlists the special support of its parishioners to help get us over the hurdle of additional costs to get our elevator construction underway. We are so close.

To date we have raised \$144,141.97 and have paid architect and engineering costs of \$50,101.88. (This includes the new walkway and railing.) This leaves us with \$94,050.09 to complete our accessibility projects. However, projections are \$150,000, leaving us short \$56,000.

With the pandemic, there have been no dinners, bus trips, raffles, yard sales, or other fundraisers for over a year. Father Stephen and the Finance Committee therefore enlist your renewed support for a six-month pledge campaign.

Kindly fill out the following and mail or deliver to the Rectory at 386 Rogers Street, **with your post-dated cheques**. Your donation will be included with your year-end Tax Receipt.

As always, we sincerely appreciate your dedication and commitment to your parish!

God Bless,

Fr. Stephen DeCarlo
