### MARRIAGE TIP OF THE MONTH

Marriage is a journey that two people undertake with a plan to navigate life together. When researchers investigate what makes the journey both long and happy, many things come into play, but a strong one is repeated by most: *"I married my best friend"*. It is good to ask yourself then, are you being a good friend to your spouse? Do you spend time together, share parts of your day, invite them to share in an event with you, watch a movie together, or even a series that can become together time? Do you call once in a while to say hello during the time you are not together and plan time for your spouse in your agenda—everyday? Are you patient when they make a mistake, are not perfect, or let you down? Friendships thrive and last in this kind of environment, so make friendship a foundation of your marriage!

### *Free Online Screening of the New Catholic Film "Permission"*

Catholic filmmaker Kevin Dunn's new docudrama film *Permission: Fr. Bob Bedard's Vision for the Church* is now streaming for free online at: [Permission the Film](#). Following in the footsteps of Fr. Patrick Peyton and Venerable Fulton Sheen, the late Fr. Robert Bedard, founder of the Companions of the Cross, emerges as a modern-day hero of the Catholic Church and priesthood. Affectionately known to thousands, perhaps millions, around the globe as "Fr. Bob," his life of holiness and passion has inspired many, and his cause for canonization might soon be opened. Watch *Permission* online, or host a local screening with family, friends. Afterwards, take time to reflect and discuss how God might be calling you to give Him permission in your life and ministry.

*"In the family, faith is handed on together with life, generation after generation. It is shared like food at the family table and like the love in our hearts. In this way, families become privileged places in which to encounter Jesus, who loves us and desires our good, always." —Pope Leo XIV*
